## Introduction

Edutain Technologies is an IT services company with expertise in Development, Consulting and Staffing

## MERGING TALENT WITH OPPORTUNITY

Edutain Technologies, located in Hyderabad - India, is a full service human resource company specializing in temporary and career staffing with an emphasis on providing excellent customer service.

**Core  
Verticals**

Our innovative solutions empower your organization to receive data, process it, and return the results quickly enough to affect your organization's critical deadlines.

**01**

Recruitment Staffing Outsourcing

**02**

Innovative & Practiced Consulting

**03**

Global talent Solutions

**STAFFING  
SOLUTIONS**

Edutain Technologies is a full-service employment specialist.

We provide individuals who have personal talents, skills, and experience.

✓ **PROFESSIONAL STAFFING / DIRECT PLACEMENT**

Career staffing offers solutions for your professional needs, matching great candidates with the right opportunities. We carefully recruit, interview and conduct pre-employment screening and testing on all candidates, so we only present the most qualified candidates to you. With our Direct Placement, there is never a fee for our services until you select one of our recruits

✓ **TEMPORARY STAFFING**

Our service provides solutions for your company's short and long-term supplemental staffing in all types of work environments. From entry-level to management, Wise Staffing Group provides quality and consistency by recruiting candidates who have the skills and experience necessary to meet the requirements of our clients. Our comprehensive selection process helps identify qualified employees so we know you are getting the person for the job.

A grey pushpin icon is positioned at the top right corner of the 'SUPPORT SERVICES' box.

**SUPPORT  
SERVICES**

Edutain Technologies operate with a fully trained staff that is knowledgeable of the policies and procedures of each of our clients.

- ✓ Highly Trained Support Team
- ✓ On-site Coordinator
- ✓ Customized Reports and Analysis
- ✓ Project Management
- ✓ Customized Billing
- ✓ Electronic or Fingerprint Time Clock
- ✓ Professional Recruiters

**RECRUITMENT**

Create a comprehensive recruiting strategy that will ensure the right candidates are in place when needed.

✓ **STRATEGICALLY PLACED OFFICES**

Edutain Technologies has strategically located their offices in areas to locate and recruit applicants for their clients. In many areas we have 5 to 6 offices in a 50 mile radius available for those seeking employment or wanting to make a change in their career

✓ **TECHNOLOGY**

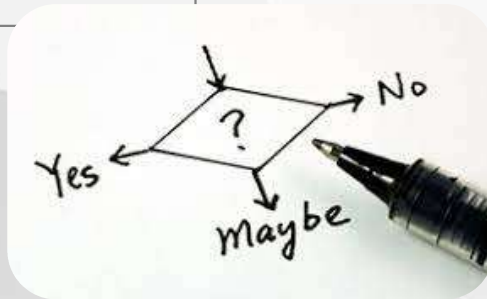

Job seekers are flocking to the internet in record numbers in search of employment. Everyone from CEO's to assembly workers can be found online. Edutain Technologies utilizes state of the art software (Appgen) for our application process. Individuals can apply online at their convenience, post resumes and search our job postings. This powerful tool enables us to post positions simultaneously to an extensive variety of job sites, widening our recruiting reach.

## SCREENING ASSESSMENT

Edutain Technologies has a comprehensive selection process to identify candidates with skills and talents that will provide you with the ideal associates.

## ✓ SKILL ASSESSMENT

Assessments are customized to meet your exact needs and skill level. They will acknowledge one's specific strengths, skills and abilities. We will determine that they have the right skill sets to get the job done.

## ✓ PRE-EMPLOYMENT SCREENING STARTS WITH

- Favorable Work References from Previous Employers
- In-Depth, One-On-One Personal Interview
- Essential Job Functions
- Criminal Background Checks
- Comprehensive Skills Assessments
- Education Verification
- Previous Work Experience Verification
